KÖNIGSSEE MIT St. BARTHOLOMÄ UND WATZMANN

LL7811

TUCK'S POST CARD

CARTE POSTALE. POSTKARTE

By Appointment

Königssee. This beautiful lake is one of the most charming items in the locality of the popular Maine watering place of Berchtesgaden. It is six miles long and one and a quarter miles broad, being surrounded by precipitous and lofty mountains rising almost perpendicularly from the water's edge, some of these peaks attaining a height of 6500 feet above the lake. St. Bartholomae is a charming green promontory whereon is found a chapel and a one-time royal hunting box.
